Expires: 14 April 2025

FIRE DOORS A-CLASS (IMO)

DEANSTEEL MANUFACTURING CO.
931 S. Flores St.
SAN ANTONIO TX 78204-1496

"A Class Fire Rated Marine Doors" double-leaf hinged fire door with optional window tested and approved as Class A-60 in accordance with Annex 1, Part 3 of the IMO 2010 FTP Code.

Maximum door leaf size for active leaf is 42 1/2 inch width by 90 5/16 inch height; maximum size for inactive leaf is 42 7/16 inch width by 90 5/16 inch height. Active door leaf provided with WSS three point mortise lock, DSM custom stainless steel lift-off hinges, inactive door leaf provided at the top and bottom with manual flush bolts. The active door leaf may include a window with a maximum clear opening of no more than 100 square inches; dimension of 10 inches by 10 inches.

The door frame is to be bolted using Grade 8 1/4 inch bolts at c/c 300 mm or stitch or continuous welded to the bulkhead per manufacturer's instructions.

Identifying Data: Part 3 SwRI Project No. 01.24102.01.308 dated December 11, 2019; Deansteel Drawing No. 951346 dated November 8, 2019; and USCG letter 16714/164.136/126 dated April 14, 2020.

Follow-up Program: Southwest Research Institute.
Valid only for doors manufactured at the location shown below.
Manufacturing Location: San Antonio, TX.

1408/YY

The manufacturer is allowed to affix the Mark of Conformity as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed February 2004 as amended on February 18th, 2019 and by the "Agreement between the European Free Trade Association countries which are part of the European Economic Area and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed October 2005 as amended on February 22nd, 2019. Item complies with requirements of Item No. MED/3.016 of the directive.

*** End ***

THIS IS TO CERTIFY THAT the above named manufacturer has submitted to the undersigned satisfactory evidence that the item specified herein complies with the applicable laws and regulations as outlined on the reverse side of this Certificate, and approval is hereby given. This approval shall be in effect until the expiration date hereon unless sooner canceled or suspended by proper authority.

GIVEN UNDER MY HAND THIS 14th DAY OF
APRIL 2020, AT WASHINGTON D.C.

B. A. BALDWIN
Chief, Lifesaving and Fire Safety Division
BY DIRECTION OF THE COMMANDANT

TERMS: The approval of the item described on the face of the Certificate has been based upon the submittal of satisfactory evidence that the item complies with the applicable provisions of the navigation and shipping laws and the applicable regulations in Title 33 and/or Title 46 of the Code of Federal Regulations. The approval is subject to any conditions noted on this Certificate and in the applicable laws and regulations governing the use of the item on vessels subject to Coast Guard inspection or on other vessels and boats.

Consideration will be given to an extension of this approval provided application is made 3 months prior to the expiration date of this Certificate.

The approval holder is responsible for making sure that the required inspections or tests of materials or devices covered by this approval are carried out during production as prescribed in the applicable regulations.

The approval of the item covered by this certificate is valid only so long as the item is manufactured in conformance with the details of the approved drawings, specifications, or other data referred to. No modification in the approved design, construction, or materials is to be adopted until the modification has been presented for consideration by the Commandant and confirmation received that the proposed alteration is acceptable.

NOTICE: Where a manufacturer of safety-at-sea equipment is offering for sale to the maritime industry, directly or indirectly, equipment represented to be approved, which fails to conform with either the design details or material specifications, or both, as approved by the Coast Guard, immediate action may be taken to invoke the various penalties and sanctions provided by law including prosecution under 46 U.S.C. 3318, which provides:

"A person that knowingly manufactures, sells, offers for sale, or possesses with intent to sell, any equipment subject to this part (*Part B. of Subtitle II of Title 46 U.S.C.*) and the equipment is so defective as to be insufficient to accomplish the purpose for which it is intended, shall be fined not more than \$10,000, imprisoned for not more than 5 years or both."
